2024 ZNA Dues Increase Vote

The last ZNA membership dues increase to the current \$7/person took effect in 2001.

To secure funding for important ZNA initiatives, the Executive Committee is proposing an increase to \$12/person, in line with inflation since the last increase.

The Executive Committee is empowered to lower or waive dues for individual members and strongly encourages any current or prospective member with a financial need to request a waiver by emailing treasurer@zilkerneighborhood.org or by speaking with a member of the Executive Committee.
